

## Build a Better World! Read!

**Q:** How is the library like a skyscraper?

**A:** They both have a LOT of STORIES!

Roosevelt Rat and Tommy Johns are **LAYING A FOUNDATION** for **BUILDING** a brand new show – **Build a Better Story!** And you can get in on **THE GROUND FLOOR** of this great new Summer reading program!

As the **ARCHITECT** of next summer's library program, you have to **DESIGN** a summer calendar that **BUILDS** excitement and gets kids reading a lot of **STORIES!**

**Roosevelt and I can help!**

**Build a Better Story!** is a brand new show featuring a **TRUCKLOAD** of magic, puppets, comedy, storytelling and audience participation! This engaging and hilarious show will entertain your kids and parents while **CREATING** excitement about reading!

Just like every summer, Tommy is getting up a **CREW** of some of the nation's leading library performers to help him **CONSTRUCT** this show. And like all our summer library programs, this one encourages kids to **SURVEY** the library and **ASSEMBLE** a reading list and read every day!

*"Thank you for another great show, as always! Parents and kids were talking about it upstairs as they checked out the books you talked about. And they all LOVE Roosevelt Rat! Have a great summer!"*

Mandi Cantrell, BB Comer Library, Sylacauga, AL

The **BLUEPRINT** for this summer includes classic and new picture books, chapter books and other library resources. And as always, you will get a **CAREFULLY CONSTRUCTED PLAN** that includes **TOOLS** like a book list and posters to help make sure we pack the **HOUSE** with kids who will check out a ton of books and other library resources to **BUILD** up their own **STACK** of **STORIES** when the show ends.

*"Once again, thank you so much for a great program! The Street Magic workshop was a great hit! We had exactly 100 people attend (a record for a teen program!)! Thank you for being so flexible. I took some of the handouts to my kids at home and they LOVE them! I am looking forward to seeing you again next year."*

Deirdre Tolia, Leon County Public Library, Tallahassee, FL
